

Deacon's Beacons

January 7, 2019

The God who made the world and everything in it, being Lord of heaven and earth, does not live in temples made by man, nor is he served by human hands, as though he needed anything, since he himself gives to all mankind life and breath and everything.
Acts 17:24-25

God does not need us. He created us out of love and not out of need. We need God although many nowadays deny that fact. We cannot exist without God. But in their hubris, some believe that they get nothing from God and all that they have is of their own doing. But we who are people of faith know differently. We go to Church to worship God not because God is there but because we can come as a community to praise Him together. God is everywhere but only in Church may we worship as a family.

Go raibh síocháin Chríost a bheith in éineacht leat.
