

## Deacon's Beacons

“The Rock, his work is perfect,  
for all his ways are justice.  
A God of faithfulness and without iniquity,  
just and upright is he. Deuteronomy 32:4

God does not make mistakes. It is bizarre that some people say that. Is something imperfect? That is because sin entered the world and caused all other problems. One of the areas where some people question God's...effectiveness is maybe the best term here, is looking at persons living with disabilities. How is that any more an indictment of God than the existence of cancer? God does not will evil but it happens because of sin. Maybe the purpose of these sad events is for us to turn in love to those in distress or in need of special help. Maybe that is supposed to cause us to be more human, more like what God intended.
