Your word is a lamp to my feet
and a light to my path. Psalm 119:105

A short passage from the longest of all Psalms to remind us that, unless we walk in the light of God's teachings, we walk in darkness. The dangerous thing about walking in darkness is that you do not see the perils that surround you. Particularly when everyone else is walking in darkness, you may think it is safe because of the numbers. But only in the light of the Gospel and the guidance of the Church can you really see the way that God has laid out for you. Seek that light so that you may not be lost.

Go raibh síocháin Chríost a bheith in éineacht leat.
