For because he himself has suffered when tempted, he is able to help those who are being tempted. Hebrews 2:18

Sometimes, we feel like we have failed when we are tempted. Those thoughts darken our outlook. But temptation is not sin. Sometimes, temptation is an indication that the devil is trying harder to pull us away from God. Jesus was tempted and never sinned. It is in our response to temptation where we can fall into sin. But the fact that we recognize that we are being tempted says something about our conscience. Without a well formed conscience we would never realize that we are being tempted.
