

Deacon's Beacons

In peace I will both lie down and sleep;
for you alone, O LORD, make me dwell in safety. Psalm 4:8

Do you sleep well at night? Or are you consumed by anxiety and worry? Many faithful people struggle with worry. But if you believe deeply. Why do you worry? Did God not say that He will care for you? Does worry do anything to address a situation? It is normal to be aware of things around you but when you allow those outside forces to disrupt your life and your peace of mind, that is when you really need to turn to God and place those burdens on the back that carried the Cross.
