Consider him who endured from sinners such hostility against himself, so that you may not grow weary or fainthearted. Hebrews 12:3

When you look at how Jesus was treated, you should not feel bad when others make fun of you for your faith. Jesus told us that we too would be attacked for what we believe. Do not lose heart. What we believe is important. The key is making it relatable to the world today. Science thinks it has all the answer. Science does not even know all the questions. Only God has all the answers. If it is His will, those answers will be revealed...in this world. All questions will definitely be answered in the next life.
