

Deacon's Beacons

September 14, 2020

See what kind of love the Father has given to us, that we should be called children of God; and so we are. The reason why the world does not know us is that it did not know him. 1 John 3:1

If the world denies God, it will have no use for us who follow His commandments. Jesus told His disciples that the world would hate them because of Him. Nothing has really changed in 2000 years. There have always been those who disdain God's Law. And they continue. But we know that the Law of God is absolute. We must keep those laws. We may not be able to change others' hearts but we can keep to the faith. In that way, there is a witness to the Truth that is maintained.
