

Deacon's Beacons

And your ears shall hear a word behind you, saying, "This is the way, walk in it," when you turn to the right or when you turn to the left. Isaiah 30:21

Do you listen to that voice? Your conscience will tell you when you have left the proper path, that is, unless you have dulled your conscience. That is easy to do. When sin becomes habitual, it is very difficult to hear that voice. Maybe the best thing to do is to recover that sense of right and wrong that is inherent in each one of us. We just need to take the time to think about what we are doing and whether it is proper or not. It is not complex; it is, however, not easy.
