Draw near to God, and he will draw near to you. Cleanse your hands, you sinners, and purify your hearts, you double-minded. James 4:8

Lent is the time to do the things that James calls the Church to do here. It is a time of growing closer to God. It is never God that moves away. It is we who separate ourselves from God. But we can become closer to God through the spiritual practices in which we are instructed in Lent. However, Lent should not be the only time we try to be closer to God. It should, however, be a reminder that we need to redouble our efforts. It is a yearly reminder that, no matter how far we have progressed, we are not at perfection yet. Continue the work.
